Are you ready to entertain?

At the conclusion of your event, you may be requested to participate in media activities that will contribute enormously to the entertainment package on offer to spectators at the meet, as well as to the media coverage of the meet.

Examples include:

- An interview with the host broadcaster;
- Quick question time with other media representatives in the trackside mixed zone;
- Perhaps even a mini press conference in the formal interview area!

We will have uniformed staff to usher selected athletes through this process. Obviously the timing of such processes is crucial, so we would appreciate your assistance in following our lead, without being sidetracked by other matters. Obviously we'll do our best to ensure a smooth operation - if you're thirsty, just ask and we'll get you a drink... if you're cold, we'll dig out your gear from post event control... It doesn't have to be a huge production that takes a long time, so stick with us and we'll run you through the scene!!

Autograph Area

- There will be a designated area for autographs located in the Fan Zone which is situated next to white marquee Athletes are encouraged to make themselves available for autographs.
- Your cooperation would be appreciated in utilising this area only for autographs, which will assist greatly in controlling the crowd.
