1 Overview

- 1.1 This selection policy (**Selection Policy**) sets out the basis on which Australian Athletics will select its representative team (**Team**) for the World Indoor Championships in Kujawy Pomorze, Poland, on 20-22 March 2026 (the **Competition**).
- 1.2 This Selection Policy constitutes the Selection Criteria (as defined in the Australian Athletics By-Laws) in respect of the selection of individuals or teams for the Competition.
- 1.3 The Chair of Selectors is the sole authority authorized to provide guidance on the content of this Selection Policy. Any advice regarding selection matters received from other Australian Athletics personnel or external parties, whether verbal or written, will not be considered valid.

2 Selection Policy Aims

The focus for High Performance Athletics in Australia in 2026 is on the Commonwealth Games in Glasgow, with that in mind the selection policy for the Indoor Championships should not detract from that focus for 2026.

Australian Athletics aims to facilitate the following outcomes through the selection of athletes for the World Indoor Championships:

- 2.1 Send the most competitive possible team to represent Australia at the 2026 World Indoor Championships while not compromising the performance of the 2026 Commonwealth Games team; and
- 2.2 Select only athletes and relay teams with the realistic potential to win a medal and be highly competitive at the 2026 World Indoor Championships; and
- 2.3 Select athletes who are expected to attend the 2026 Commonwealth Games; and
- 2.4 Select athletes who are considered potential medallists or top 8 athletes in future World Athletics Championships and Olympic Games.
- 2.5 Additionally, Australian Athletics will select those who meet these aims considering:
 - 2.5.1 The rules related to the Competition for qualification and entry purposes and;
 - 2.5.2 Maximum numbers of athletes allowed per nation.
- 2.6 In all cases, the Selection Committee will consider each athlete's competitive record and demonstrated ability to plan the peak of their season at a major championship. Those athletes who, when given international opportunities, repeatedly fail to meet or exceed the levels they achieved to gain selection cannot assume to be selected.
- 2.7 It is the expectation of Australian Athletics that athletes will compete at the National Championships for their event and support the Australian Athletics Summer Series before and following the Indoor Championships and competing in the World Indoor Championships in itself will not be grounds for exemption from competing at the National Championships.
