2 ATHLETICS COMPETITION SCHEDULE

Events which are crossed out, are expected to be cancelled due to insufficient entries for that first round.

It is also expected that athletes with a top-8 performance (between 1/1/26 – 26/6/26) in able-bodied events from 100m – 400m will automatically progress to the semi-final stage. This will be confirmed with final entries, Aidan Murphy (200m) may be the only Australian to progress directly to the semi-finals.
