4.10 Commit to completing all AA integrity education as set out in the AA Integrity Education Plan, and any other integrity education requirements AA or WPA sets from time to time.

5 Selection Procedure

5.1 The Selection Committee will consider Athletes for selection under this Selection Policy who have satisfied the eligibility criteria of clause 4.

5.2 In accordance with the Competition Rules, the Selection Committee may select:

a) up to three Athletes per individual event. If two or more classes are combined following the final entry by name and event viability review, a country may not exceed a maximum of five eligible Athletes in a combined medal event. However, per each sport class, a maximum of three eligible Athletes can be entered;

b) one team in the Relay comprising Athletes entered into individual events.

5.3 An eligible Athlete may compete in an unlimited number of events as long as they have achieved the World Para Athletics MES for each event. Events in which the athlete has achieved the Standard shall be prioritised. The Head of Para Program in conjunction with the GM High Performance will determine which (if any) events an athlete may contest where they have met the MES in an event and is additional to event(s) for which they have been selected.

5.4 The Selection Committee is not obliged to and will not select eligible Athletes who have solely achieved a World Para Athletics Minimum Entry Standard(s).

5.5 Athletes can only compete at the World Para Athletics Championships if WPA considers them qualified.

Official Performances

5.6 All performances must be achieved during official competitions approved by WPA. The list of competitions is available on the WPA website.

5.7 Standards achieved in mixed events, will only be accepted for the following events and under the following circumstances:

a) For all field events held completely in the stadium the two events (Men's and Women's) were conducted concurrently with separate results; or

b) For 5000m races only when there are insufficient athletes of one or both genders competing to justify the conduct of separate races. The gender of each athlete must be shown in the result. Such races should not, in any case, be conducted for the purpose of allowing an athlete of one gender to be paced/drafted or assisted by an athlete of another gender.

5.8 The Selection Committee will only consider one performance in a single competition, regardless of whether it is recorded in a heat or final, qualifying round or final, or a field event series. The best legal performance from that specific event will be the single and only performance for consideration by the Selectors from that competition.

5.9 Wind assisted performances will not be accepted. Performances achieved outdoors in the 100m, 200m, and Long Jump events must be accompanied by wind gauge readings.

5.10 Hand-timed performances for events up to and including 800m will not be accepted.

5.11 Performances achieved indoors for all field events and for races 400m and longer, will be accepted.

5.12 For the running events of 200m and over, performances achieved on over-sized tracks will not be accepted.

Selection Standards

5.13 An Athlete can only compete in an event if they have met the MES set by WPA.

5.14 AA has developed an AA Performance Standard to be used in conjunction with the AA Developing Standard, these standards are available in Appendices of this document.

5.15 The AA Developing Standard applies to events on the 2028 Paralympic Program with the same eligible classes. Athletics wanting to participate in events in the Competition for events not on the 2028 Paralympic Program must meet the AA Performance Standard where this event is their primary/only event.

5.16 Australian Athletics, and this policy, is bound by the Qualification System, Entry Standards and Qualification Periods as defined by WPA in the Competition rules.

5.17 The relevant Qualifying Period for selection for the Australian Team is 27 September 2025 – 4 April 2027.

Selection Timeframe

5.18 The Selection Committee will meet to determine the Athletes who will be selected in the Team for the Competition in the two weeks after the end of the Australian Athletics Open Para Championships for the purpose of making all Selections.

Selections in Individual Events

5.19 All Athletes will be selected at the same time.

5.20 Subject to meeting the eligibility criteria of clause 4, Athletes will be selected in two streams. :

a) If an Athlete has represented Australia at World Championship or Paralympic level prior to 2024, they may be selected if they; and

i. Have recorded two performances equal to or better than the AA Performance Standard (in the same event) within the Qualifying Period and one of those performances is recorded within the period 1 January 2026 – 4 April 2027; or

ii. placed in the top 50% of the total starters in their event at the 2025 World Championships where that is not lower than eighth place and have recorded at least one performance equal to or better than the AA Performance Standard (in the same event) within the period 1 January 2026 – 4 April 2027;

b) If an Athlete has not represented Australia at World Championship or Paralympic level or have only done so in 2024 or 2025, they may be selected if they:

i. Have recorded two performances equal to or better than the AA Developing Standard (in the same event) within the Qualifying Period and one of those performances is recorded within the period 1 January 2026 – 4 April 2027; or

ii. placed in the top 50% of the total starters in their event at the 2025 World Championships where that is not lower than eighth place and have recorded at least one performance equal to or better than the AA Developing Standard (in the same event) within the period 1 January 2026 – 4 April 2027; and

c) If an Athlete has not met the requirements of clause 5.20a) or 5.20b), an Athlete may only be selected in an individual event if:

i. their selection is required to comply with the Competition Rules for the Universal Relay; and

ii. they have met the MES in an individual event within the period 1 January 2026 – 4 April 2027.

5.21 The Selection Committee may exercise discretion to select Athletes to the Team if more eligible Athletes than the maximum permitted entries meet the standards required for selection, the Selection Committee will consider the following discretionary factors. to identify the Athletes for selection in that event. This discretion will be exercises in line with the aims of this Policy. This discretion is absolute and need not be exercised.

5.22 The Selection Committee will consider the following discretionary factors. These factors are in no particular order:

a) an Athlete's ability to finish in the top 8 for their specified event(s) at the Competition;

b) an Athlete's results during the Qualifying Period;

c) an Athlete's demonstrated ability to meet or exceed incoming level performances at international competitions;

d) any factor, or combination of factors that the Selection Committee, in consultation with the General Manger – High Performance, considers relevant.

Relay Selections

5.23 The Selection Committee will aim to select a team in the Universal 4x100m Relay. All Athletes who are selected in the Relay must also be entered in at least one individual event.

5.24 The Selection Committee will select a Relay Team with no more than two Athletes having achieved individual selection via clause 5.20c). Where an athlete qualifies under clause 5.20c) then their priority event is the relay.

5.25 There is no maximum number of Athletes who can be selected in a Relay Team.

6 Obligations after Selection

6.1 Athletes selected in the Team for the Competition must:
